THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

Clerk of Court

U.S. District Court for the Northern District of Illinois
219 South Dearborn St.
Chicago, IL 60604

Dear Clerk of Court:

I am writing to submit my objection to the National Collegiate Athletic Association Student-Athlete Concussion Case (Case No. 1:14-cv-09116) Settlement to the Court. I would like to object to the settlement because it does not give extra monies and/or physical care for: athletes who had preexisting injuries before enrolling in a NCAA sport (i.e. Scoliosis and other spinal conditions), and athletes who attended college as emancipated minors (emancipated minor is a legal mechanism by which a court grants a minor permission to be an adult (Age of majority)) .

Firstly, I would like to object to the fact that athletes who had preexisting injuries before enrolling in a NCAA sport, are not given extra monies as a result of their participation in the lawsuit. When most student athletes tryout for NCAA sports, they must pass a physical which might note that he or she had some type of pre-existing medical condition before they were allowed to participate in a NCAA sport, and those pre-existing injuries (i.e. scoliosis and other spinal conditions) might have been the result of a concussion injury. In my case, my former household got me into a fall accident in which I ended up developing scoliosis at the age of 8, and this occurred after they did not seek any medical attention for me based on the fact that I had already reported them to the Albany Police Department for Severe Child Abuse Violations at the age of 8.

Secondly, I object to the settlement because there is no provision of extra monies for athletes who attended college as emancipated minors. I admit, I had a very difficult time with The University at Albany once I enrolled as an independent student because my former head of household was the Deputy Superintendent of a medium-security prison known as Altoona Prison in Upstate New York, and he was previously an architect of prison security systems during my primary school years in Albany, New York. My difficult times at the University at Albany involved the university committing financial aid fraud and transcript fraud against me, and I am finally in the process of suing my Undergraduate University for discriminating against me. Also, I have heard that many

people violate the rights of emancipated minors, and that these crimes oftentimes are not reported because many emancipated minors are periodically drugged and sexually assaulted.

Finally, I would appreciate hearing from you regarding this, and thank you for your consideration of this objection. Also, feel free to request additional evidence from me on this matter. I look forward to getting my objection to the amended settlement resolved, and hope to hear from you soon.

Sincerely,

Elizabeth Terry

Dear Melissa,

I appreciate your prompt response to my request for information on my participation history in Track and Field with The University at Albany's NCAA Track and Field Team. I will all rest easier during my discovery process for information,

knowing that you are looking up my participation history with The Office of Campus Recreation. I will look forward to hearing back from your office and their office in the near future.

Thank you very much!

Elizabeth,

I am acknowledging receipt of your request regarding your participation on the UAlbany Women's Track and Field and UAlbany Women's Rugby teams. As Women's Rugby is not an intercollegiate sport here, but rather, a club sport, I will not have participation information on Women's Rugby. The Office of Campus Recreation, who I have copied on this email, will be able to assist you with that request.

I am researching your participation history with the Women's Track and Field team and will be in touch with you soon.

To Whom It May Concern:

I understand that your information service might have information on what steps I must take to secure information that I was a member of both: The University at Albany's Track and Field Team, and Women's Rugby Team. Would you be kind enough to furnish me with any information which still states that I was a member of the Women's Track and Field Team and Women's Rugby Team during the years 1997-1998?

This information will help me prepare a letter of concern to the NCAA on how my rights as an emancipated minor were violated during my freshman year of college. Your help will be greatly appreciated.

Very truly yours,

Ms. Elizabeth Terry
